# Camp #1

June 2nd to June 13th

## Safari Quest: The Jungle Book Experience

Welcome to the Safari Quest, a camp that invites young explorers to embark on an exciting adventure inspired by the beloved story of The Jungle Book. This immersive experience is designed to take children on a thrilling journey through the wild, fostering their curiosity about biodiversity and ecosystems.

Throughout the camp, kids will be able to discover various habitats and learn about the fascinating adaptations of animals that enable them to thrive in their environments. Engaging in hands-on activities will include crafting their binoculars for observation, simulating the tracking of animal footprints to understand wildlife movement, designing a "safari journal" for documenting their observations and reflections, and creating a mini ecosystem where they can observe insects and plants in real-time. This camp promises fun and educational enrichment, nurturing a lifelong love for nature and exploration in every child.

# Camp #2

June 16th to June 27th

## Urban Canvas Camp

Join us for a two-week camp where we will delve into the vibrant world of street art, drawing inspiration from the book *Maybe Something Beautiful: How Art Transformed a Neighborhood*. In a city often characterized by muted tones, we will uncover the transformative power of color and creativity in reshaping our environment. Campers will engage with various artistic techniques such as graffiti, mural painting, and sticker art while learning to articulate their thoughts and emotions through visual storytelling.

Through hands-on projects like crafting miniature murals and designing uplifting message posters that celebrate friendship and community, children can express their inner artists while exploring the profound impact of art on urban life. Additionally, we will embark on a "virtual city walk," where we analyze local murals and renowned street artists. This exploration aims to inspire us to envision ways to infuse beauty and hope into our neighborhoods. Let us gather our paintbrushes to create vibrant expressions that resonate with joy and creativity!

# Camp #3

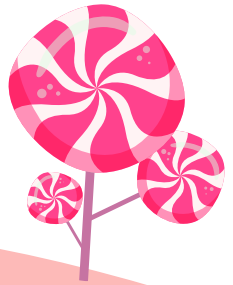

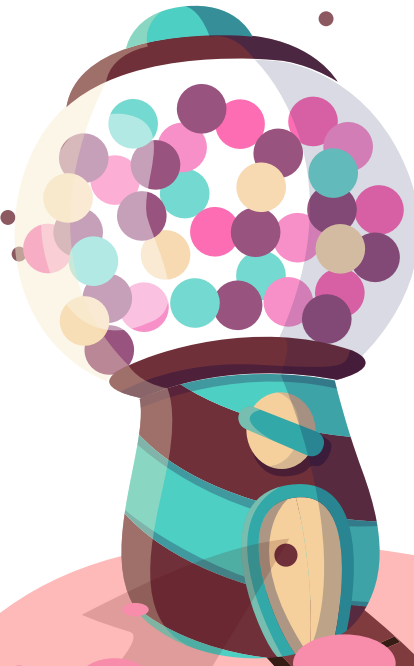

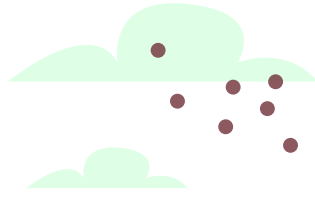

June 30 to July 11

## ChocoLab Adventures

Experience the enchanting world of candy and chocolate at ChocoLab Adventures, brought to life through the lens of STEM! Inspired by the beloved tale of Charlie and the Chocolate Factory, this camp invites children to embark on a sweet adventure filled with interactive experiments and creative projects.

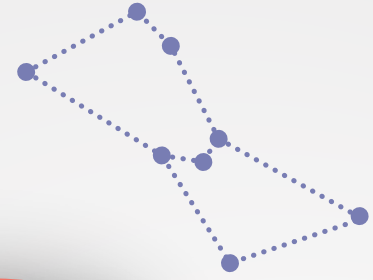

Young chocolatiers will explore the fascinating chemistry of candy-making, delving into concepts such as mixing and state changes while designing their own delicious creations.

They will build imaginative "chocolate machines" using recycled materials, participate in hands-on activities to create unique packaging, and dream up whimsical candy flavors. Join us for a delightful journey that combines science and creativity in the most delectable way!

# Camp #4.

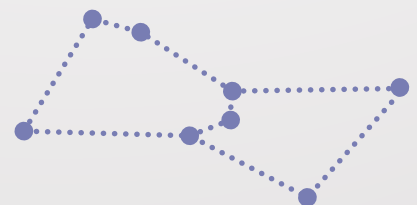

## July 14th to July 25th **Cosmic Explorers Camp**

Welcome to Cosmic Explorers Camp, where young dreamers become astronauts and embark on an unforgettable journey through the universe! Inspired by the enchanting tale of *The Darkest Dark* and the childhood of real-life astronaut Chris Hadfield, this camp invites children to embrace their curiosity and conquer their fears.

With hands-on activities like building rockets from recycled materials, creating star maps, and simulating a trip to the moon, campers will delve into the wonders of astronomy and space technology. They'll conduct exciting experiments on gravity and planetary motion, all while discovering the beauty of the night sky.

Join us as we ignite imagination and foster a love for space exploration, reminding each child that the darkest dark can lead to the brightest dreams!

# Camp #5

July 28th to August 8th

## Neverland Dreamers

Step into the world of Neverland

Dreamers, where imagination knows no limits! Inspired by the enchanting story of Peter Pan, this camp invites children to embark on an exciting journey through the magical realms of Neverland. Young adventurers will create maps, charting the vibrant Mermaid Bay, Captain Hook's treacherous lair, the mystical Enchanted Fairy Forest, and the secret caves hidden within the island. Each day will be filled with imaginative play, storytelling, and theatrical arts, nurturing a deep love for reading and creativity.

Additionally, campers will explore the wonders of science through magical experiments, such as color-changing water and optical illusions, revealing the fascinating scientific principles behind the art of magic. Join us for an unforgettable experience where the spirit of adventure and the joy of discovery come together in a captivating world of fantasy!
